A Good and Terrific Tuesday morning to You,

Hello, "Bueller... Bueller... Has any One seen Bueller?"..

Oh, I suppose I'm probably dating My Self. Well, what can I say, with the entire world conspiring against Me, I don't really have much choice but to date My Self, do I?

Oh, I digress. I do presume Honour and Good Will before evil intent-Sean. I'm sure You are war King *very hard* to get to the bottom of this ridiculous scandal and I'm sure it must be very embarrassing for You as representatives of such a reputable Court.

I mean really, You're an impartial witness, basically. You have no 'motive' to steal My property or deny My father his right to legal representation in a Court of Law, right? Absolutely no reason for Me to presume You would be conspiring against Me, too. It's really just not in any One's best interest at this point. I try to Imagine what I would do if I were in receipt of My own emails as representatives of the Crown for the Toronto Courthouse.

So You might notice that I'm NOT sending this email to any other Court, just the Toronto Estates Intake office. This is where I was told to submit ANY information I have related to the Estate of Joachim VONDEHN (Proper name, 'von Dehn').

So just to ensure that You have absolutely all the inform a Sean You require to allow these creditors to proceed with their claim, I am including the Certificate of Appointment of Estate Trustee awarded to Tanja Johnson. Do You see the Seal on it? That means it was duly appointed to her by Way of due process in an Estate application if You didn't know. I didn't know, and the Court of Record doesn't seem to know anything about it, but now You have a copy of the Certificate awarded to My sister so You know I'm not lying to You.

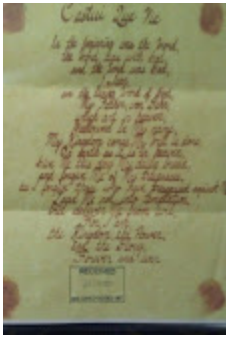

Either You update the Registry to show that Tanja Johnson has been appointed to represent My father, or You concede to Me that the Certificate I've attached is proof of a fraudulent Certificate created for no other reason than to deceive Me into believing she was duly appointed.

Either Way, the Registry needs to be updated both legally and lawfully - that is a REQUIREMENT of the Court. So let Me know who it's going to be, Me or My dear sister - or is the Toronto Courthouse conspiring to trespass upon My rights, too. And if so, what is Your motive?

Thank You, I look forward to hearing from You,

King Sean, House von Dehn,
Hand of Stephen,
The Kingdom of Heaven Found a Sean

Hello King Sean,

Please be advised that the certificate that you have attached is one from outside of this jurisdiction. Please provide the Toronto Court File number. Also, please provide your question/request for court staff. As a reminder, court staff are not able to provide legal advice and what steps to take to proceed. For those situations, it is best to consult with a legal professional.

Thank you,

Good day,

How nice of You to get back to Me. The Estate Filing numbers for the two claims waiting to proceed against My father's estate and filed with Your courthouse are as follows:

CV20006341590000 - NAGARASA V. SINGH ET AL FILED 01/10/2020
CV20006389070000 - MAHALINGAM ET AL V. SINGH ET AL FILED 03/30/2020

The jurisdiction of the Court issuing the Certificate is irrelevant, as soon as the Certificate is Issued, the Court has a legal and lawful obligation to updated the Court of Record with the Appointment so that Claims such as the two listed above,

can proceed against My father.

I also have contact information for the other party 'SINGH' who is the co-defendant in both the above claims. Tiffany Singh, lawyer Greg McConnel.

I want to know why the Court of Record still shows that My father (Joachim 'VONDEHN') as 'unrepresented'?

I don't require legal advice, I need to know how to contact the creditors so I can honour My father.

If the Certificate had been issued by a Court, You would have a Record of that appointment in Your system so these claimants can proceed with their claims - that's the whole point to the Certificate. So I Wish to know why the claims are not proceeding and why they Keep telling Me My sister has been duly appointed if the Court of Record says otherwise? Who's lying, the Court or the Court of Record?

Also, every One who responds to Me fails to provide Me with a name. I require a name, some One who Will maintain contact with Me until this Matter is resolved. I am tired of being lied to by these courts for the last four years. Do NOT tell Me to seek legal advice because the lawyers and judges I've met are the most morally bankrupt and unethical individuals I have ever met. Lawyers are paid liars and there is nothing honourable about that. Judges are just glorified liars.

Please include a contact name with Your reply or Arif Virani Will be held liable in Your place and I'll explain to him why. Right now these courts are liable to me for over \$300 million. Please get back to Me soon.

If You see the attached Cestui Que Vie Trust and Trust Declare a Sean in the first message to You, You Will know that no Court has the jurisdiction to Issue a Certificate or even process an application without My consent. I am the Trustee for this Estate by default and no One has Jurisdiction unless I waive My supreme claim of right upon the Estate as the next of kin with a Trust on Record with Canada's Minister of Justice and Attorney General. You are hereby Given Notice of these facts.

You understand how hierarchy works in a constitutional democratic monarchy? I'm the Sovereign, King outranks Judge or lawyer, so why would a King be as King a liar for counsel? These Courts appear to be entirely corrupt.

Thank You,

Good morning,

Just following up to see how You're making out here. This question seems VERY simple to Me,

"If the Certificate had been issued by a Court, **You Will have a Record of that appointment in Your system** so these claimants can proceed with their claims - that's the whole point to the Certificate. So I Wish to know why the claims are not proceeding and why they Keep telling Me My sister has been duly appointed if the Court of Record says otherwise? Who's lying, the Court or the Court of Record?"

If You don't have a *Record of the Certificate* awarded to My sister in Your system, then ***the Certificate is a fraud!!!***

I don't know if You require a lawyer to know that, but I do not! So I need to know when Tanja Johnson is going to address these claims as the duly appointed Trustee for My father's Estate because if the Certificate is NOT a fraud, that is her Fiduciary obligation to these creditors.

Please let Me know when I can expect a reply, and when I can address these claims.

These emails are being published to maintain a public Record of My efforts to Honour these claimants waiting to proceed against My father's Good name at www.thekingdomofheavenfoundasean.club.

Post Script:

As an additional query just for the sake of My own right of disclosure concerning My property and family legacy, can You Show Me where the Superior Court gains the authority and jurisdiction to make and decisions regarding My father's Estate whatsoever with My prior knowledge and consent? I hold the Supreme Claim of right upon the Estate of Joachim von Dehn unless You can produce a Superior Claim. Do You have one to produce for Me?

Otherwise, You don't have any right, authority or jurisdiction to anything except what I am as King of You to do. Which is tell Me who is addressing these claims against My father? If You don't answer that question, You are demonstrably guilty of trespass and conspiracy to defraud claimants of \$3 million insurance claims.

These People have a right to be heard, are You interfering with their right of due process and to have their claims heard? They've waited four years, I think they've been more than patient and deserve to be heard. What do You think?

I look forward to hearing from You, time is of the essence.

I HAVE contacted the Civil intake office and I have advised them I Wish to address these claims. If the Certificate is not showing up in Your system and there are \$3 million claims waiting to proceed against My father, THE CERTIFICATE IS A FRAUD

AND BRACEBRIDGE HANGS UP ON ME BECAUSE THEY ARE THE ONES PERPETRATING THIS FRAUD AND REFUSING TO UPDATE THE REGISTRY SO THAT THESE CLAIMS CAN PROCEED. THIS IS ESTATE FRAUD!!!

I WISH TO ADDRESS THE CLAIMS, I DON'T CARE ABOUT YOUR FRAUDULENT CERTIFICATE, IT IS OBVIOUSLY A FRAUD IF THE CLAIMS CAN'T PROCEED!!!

HOW IS IT THAT I MUST EXPLAIN THIS TO A COURT CLERK, THIS SHOULD BE COMMON SENSE!!!

i HAVE CONTACTED THE CIVIL INTAKE OFFICE OF THIS COURTHOUSE AS KING TO ADDRESS THESE CLAIMS, THEY TOLD ME TO CONTACT YOU - I AM TIRED OF GETTING THE RUN AROUND.

ALL I REQUIRE IS THE CONTACT INFORMATION FOR THE CREDITORS UNLESS YOU ARE WILFULLY TRESPASSING UPON THEIR RIGHT TO BE HEARD, AND MY RIGHT TO ADDRESS THEM IN HONOUR OF MY FATHER.

ARE YOU TRESPASSING UPON MY RIGHT TO CONTACT THESE CREDITORS, YES OR NO?

I am SO sick and tired of the incompetence and corruption of court clerks that I would rather not deal with any of You at all and just deal with the creditors directly. Can You let Me do that?

I'll tell the creditors waiting to proceed with their claims that they can't proceed because the Ontario Superior Courts of Justice do not wish to update the Registry with Tanja's appointment because she's already spend all the money, sold the house, and is conspiring with the other co-defendant to keep this estate private to avoid having to answer to the \$3 million in claims.

I can put the creditors in touch with the People who owe them money. Wouldn't that be nice? Seems to be more than these 'Honourable' courts wish to do...

Dear Jove,

I don't know what laws Canada is governed by that prevent You from allowing Me to Honour My father's creditors, but I have an international lawyer who is with Me here right now (from Jordan), and he assures Me that there is no reason whatsoever why You should not be Giving Me the contact information for the creditors directly as soon as I am as King for it.

My friend is so amazed, he is thing King I might need to file this Claim into an international Court. Are these courts so corrupt that I am going to be compelled to do this before I can apprehend these fraudsters trying to steal My father's estate while evading the creditors?

Please let Me know, Jove, this is important,

Dear Jove,

In fact, We now have first hand knowledge that You know Tanja Johnson has a Certificate allegedly awarded by these Courts, saying she is the Trustee for an Estate that You have two claims waiting to proceed against.

So why are YOU not advising the creditors that Tanja Johnson has been appointed and they can now proceed? If it's a legitimate Certificate, You have a legal and lawful obligation to the Court to let the creditors know and update the Registry. So YOU call the Bracebridge courthouse and get the Registry updated so these claims can proceed - please.

Thank You

Look, Bracebridge Will not respond to Me and hangs up when I call because they are engaged in fraud. I included the CV numbers, surely You can find out where those claims were filed, You would know more than be by the filing numbers, all I know is that it was filed in Toronto and I have provided the claim numbers. There is no reason why that should not be sufficient information to address the claims, even if You must forward this email to another office. Don't make Me do it, I am as King YOU to get to the bottom of this.

joachim vondehn on the public record is easy enough for Me to look up without any information whatsoever. So with CV numbers and the full name and working for the courthouse it was filed, You should be able to figure it out.

Thank You,
