Good morning, every One!

You continue to aggravate Me.

You continue to trespass upon My right of disclosure of Matters concerning My interests.

You continue to trespass upon My Trust obligate Sean's.

You are interfering with Justice with malicious, criminal intent.

This is unacceptable.

Jove Will be 100% liable on behalf of the Crown for its participation and criminal negligence causing harm to the tune of \$3 million (three million dollars) **per diem, and starting NOW!**

Jove's charges represent My grievances concerning trespass and negligence of officers representing the Crown for which he is the 'supervisor', and are separate from the Claim for which Gosai Law and its agents are liable to Me for, which is the full Value of the Claim 22-89835 including applicable interest PLUS an additional \$2 million which is also subject to 10% interest compounding monthly and calculated to the day.

[Please enjoy Your latest performance on the world stage, You are attracting quite a crowd!!!](#)

We have Jaipreet Nanra in the wings for tonight, or 'Jaipreet 'the jailbird' Nanra if she decided to not Show up for her audition.

Have a wonderful morning and enjoy the Show!
