Dear Jove,

It sounds to Me like You are engaged in exactly the same criminal conduct as the Bracebridge Courthouse I already reported to You in hopes that You could investigate and tell Me why these clowns are engaged in fraud - but You appear to be just as incompetent or just as malicious with Your criminal intent to withhold information You are required to have already served Me with over three years ago unless You are engaged in fraud with malicious, criminal intent.

So again, explain to Me how You are not the number one ringleader of this conspiracy against Me?

Imagine how this recording Will sound before a Judicial review panel when I tell them I reported these clowns for over two years and no One within the Superior Court lifted a finger to apprehend these criminals.

Dear Jove,

WOW!!! Would You believe I'm finding MORE Claims and Applications filed with Your court without any due process, no service of documents.

I just DISCOVERED (ambushed) with additional Claims/Applications concerning My father's interests, this time 'in care of Michael von Dehn.

It appears as though there was another Application or Claim made on April 14th, 2020!!!

I require a copy of the following Claims or Applications concerning My interests:

- CV-2000-63941-80000
- CV-2000-63415-90000
- CV-2000-63890-70000

Are You going to continue to withhold information for Me that I am legally and lawfully Entitled to have received OVER THREE YEARS AGO!!!

Every single one of these Claims are 'miraculously' discontinued without explanation on January 4th, the same day I Write You demanding a copy of these claims cc'd to the Minister of Justice and the Crown Law Office?

What is taking so long, Jove, and why are these claims not updated on the Registry with every motion and request for direction updated to the Registry so that People can participate?

I require the FULL, UNREDACTED INFORMATION for each of the above Claims - I Wish to see the FULL COURT OF RECORD including all motions made by all parties because I am and always have been ENTITLED to participate in

these proceedings. You do NOT get to have hearings for Matters concerning My interests without service on all parties with an interest in the outcome.

It is CLEAR that You have instructed clerks of Your Court to NOT update the Registry to exclude entitled Beneficiaries from their right to participate.

Otherwise, explain to Me why I have been losing sleep for almost four years worried about these People because You and Your clerks were more determined to ensure I NEVER hear about these claims.

You HAVE all of these documents, You CAN provide Me with the information I'm as King for and You SHOULD be able to provide it all before the end of today. If You are NOT able to do that, I Will presume it is because the information You are keeping from Me is exactly what I need to prove You've been deceiving Me with malicious, criminal intent.

If it were incompetence of Your staff, You would be correcting the error and Giving Me what I am as King for. Only a CRIMINAL war King for the Courts would attempt to deny Me of the information I require for litigation.

You have ZERO right to withhold anything from Me with My father's name on it, do You hear Me?

You are liable to Me for \$21 million as of today, and another \$3 million per day until I get what I am as King of You for.

Why did I not receive Notice of all of these applications, and who were they served upon for Joachim Heinrich von Dehn without any application hearing for a CAET?

Can't wait to hear Your explain a Sean.

Dear Jove,

What's the ETA on this information?

I require a reply and explain a Sean,

Do I have to tell You what a Claim is? I'm not as King for the Title page, I'm as King for a copy of each claim in its entirety.

Thanks,

Arif Virani, is this how the courts operate in a Banana Republic, or do You have something to say for the negligence of Your staff? Why should YOU not be fired for Your incompetence and negligence if You won't respond to Me or resolve this Issue and arrest criminals depriving People of their right to Justice?

Hello Sean,

I want to provide clarification on the following:

- 1) I am in a two week long training course at the moment and away from my email. I advised you in previous emails that to receive information promptly, you should be emailing the general inbox opposed to an individual email. There are more staff members monitoring the general inbox.
- 2) You are free to express your opinion on myse³⁾ lawyers, and other agents of the court. However, those emails do not include any request that I have control over. If you wish to be served, I suggest you retain counsel and seek legal advise as court staff are not able to provide legal advice. I can not speak on the validity of the addresses, as those are the addresses that the lawyers served the documents to.
- 3) The requests you are making, do not belong to my department as I cover Estates, Commercial, and Bankruptcy for the Toronto Region. But, in the interest of putting an end to your search, I took it upon myself to provide you the documents that you are looking for.

Regards,

Jove Ponniah

Dear Jove Ponniah,

I am going to address each of Your points as a reasonable individual would.

- I advised you in previous emails that to receive information promptly, you should be emailing the general inbox opposed to an individual email. There are more staff members monitoring the general inbox.

I did not even have Your personal email when I emailed the general inbox as King for this inform a Sean when I was and am **legally and lawfully obliged to have received it on the date of filing** according to **the Rules of Civil Procedure** concerning service of documents, which YOU (as the Supervisor of Court operations) are responsible for making sure clerks follow **to the letter**. The ONLY reason I even came to have Your personal email address in the first place, is because the general inbox of YOUR Courthouse had been IGNORING My requests for this information since SEPTEMBER of 2023, and I **cc'd the Crown Law Office** because **the Crown is jointly and severally liable because of the negligence of YOUR Court!** If I had been able to obtain this inform a Sean from the general inbox, We would not be having this converse a Sean!

- those emails do not include any request that I have control over. If you wish to be served, I suggest you retain counsel and seek legal advise as court staff are not able to provide legal advice. I can not speak on the validity of the addresses, as those are the addresses that the lawyers served the documents to.

One thing that really aggravates Me, is People telling Me that **I need legal advice** when every single legal professional I know is violating the Rule of Law, the Rules of Civil Procedure, and conspiring with clerks of Your Court, the Bracebridge Court, and the Ottawa Court with malicious, criminal intent to deprive Me of My right to participate in Matters concerning My interests, and with malicious intent to interfere with Justice and defraud Superior Court Judges.

You Claim that My requests do not include any request You have control over, yet today You provide Me with exactly what I was as King of You for on January 4th, 2024, and exactly what I was as King other clerks of Your Court for at the 'general inbox' as far back as September? And somehow You still believe YOU are not principally liable to Me as the main culprit?

The Crown Law office or the Ministry of the Attorney General advised You to respond to Me and make sure I get what I am as King for. You've been making excuses for Your Court staff ever since. I do not need a lawyer to know what documents You are **required by law to have a copy of in order to be filing documents in accordance with the Rules**, and You don't have those required documents, which includes PROOF of service on ALL parties to the Claim. I KNOW You don't have those required documents BECAUSE it's a fake address, Your Court staff are NOT requiring service of documents on the parties to the Claim, and You are simply confirming these facts by failing to produce the Service of the Claim on all parties to it!!!

Some One needs to be accountable to respond to these claims, surely You know One can't proceed against a vacant address with no representative? Furthermore, I am very confident some One did, and that there has been considerable filings since the commencement of these claims that I STILL do not have disclosure of. All I know is that they've 'Miraculously' all been discontinued the same day I'm as King for service of the Claims on the Trustee and Executor for Joachim Heinrich von Dehn. I need to know EVERYTHING that happened from the commencement of these Claims until they were discontinued on April 20, 2020, and Jan. 4th, 2024, respectively. A great deal of harm was claimed, seems very peculiar to Me that every One just abandons their claim as soon as I Show up!

- 3) The requests you are making, do not belong to my department as I cover Estates, Commercial, and Bankruptcy for the Toronto Region. But, in the interest of putting an end to your search, I took it upon myself to provide you the documents that you are looking for.

You Sign Your emails to Me "Jove Ponniah, a Supervisor of Court operations".

Like I said, if YOU don't know that all Claims filed with any Superior Court in the province of Ontario are REQUIRED by the Rules to provide PROOF of Service of the Claim on all parties to it, I've got news for You - I'm not the One who requires a lawyer or legal advice, You are!!!

When I COMPLAIN to an ONTARIO SUPERIOR COURT SUPERVISOR OF COURT OPERATIONS, to report that the Bracebridge Superior Court AND Your Court in Toronto are REFUSING to follow the Rules and depriving Entitled parties of their right to participate, that is a VERY SERIOUS BREACH OF TRUST!!!

I have very clearly articulated to You that I KNOW the Bracebridge Courthouse are engaged in fraud, and that the Supervisor of that Courthouse Will not even return My emails or phone calls to explain why Michelle Murphy and Kimberly Meredith are Keeping the application 'private' until a Certificate Issues. There is no publication ban on the file, Sir - that is FRAUD!

So if I CANNOT report fraud to another SUPERIOR COURT SUPERVISOR and be as King of him to investigate so that the fraud can be put to a stop, the criminals of that court be apprehended, and future litigants Will not have to worry about being deceived by corrupt staff, then WHO can I complain to?

If YOU don't care that court clerks are engaged in fraud with malicious intent to deprive Me of information I am legally and lawfully entitled to and SHOULD be able to Trust any Superior Court to provide, then WHO do I complain to?

If You as the supervisor of operations are not responsible for the conduct of Your staff and making sure they have all documents on hand necessary to process applications in accordance with the Rules, then please tell Me where to direct My complaint and I Will leave You alone. For now, I believe that individual is You, and I require a copy of the service of these claims on the parties to it, necessary to process the application in accordance with the Rules.

Thank You.
