Dear Arif Virani,

At least three of Your Superior Courts are engaged in fraud and failing to serve documents on parties entitled to participate in the proceedings, serving documents on 'fake addresses', and LYING to entitled parties about the status of the application.

Is this the official Nazi takeover of Canada's Courts by the teasonous Nazi Trudeau regime, or Will You be taking some responsibility and accountability for the clerks of Your Court?

I look forward to hearing from You,

[You are making front page news!!!](#)

You are the manager responsible for the negligence of Your court staff, right?
