Dear Sir, and Honourable Member of Parliament,

I'm writing the Honourable Member of Parliament because he is the Shadow Minister for Justice and the Ontario Superior Courts are engaged in judicial interference with malicious, criminal intent to trespass upon My Trust obligations on file with Canada's MOJAG.

The Dis-Honourable Minister of Justice and Attorney General is aware of the corruption in his Courts and has been ignoring My complaints and effectively aiding and abetting their criminal trespasses.

This is an unbelievable amount of corruption, [You can find the full story here](#), everything is on the International Public Record on the Main Stage in My Universe City Play House Theatre. These Judges are so corrupt, they believe they are above the Law, just like Justin Trudeau.

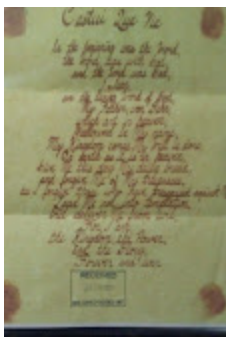

I'd be happy to take this up with Arif Virani, but he doesn't seem to Wish to respond to Me to explain he's not taking any action.

I'm wearing the Armour of God, this is Trust obligation, I Live in God's Kingdom and that is the *only* juris, I dict-Sean.

Blessings,

King Sean, House von Dehn,
Hand of Stephen,
The Kingdom of Heaven Found a Sean
