Dear Nital,

Your firm has been featured in a new Article Published to the Universe City Play House Theatre for a future Present a Sean on the Main Stage.

We review Your Law firm's Promises to the People who Trust You to advocate for them, and how those Promises measure up experientially.

I hope You find the Article accurate, please let Me know if You would like to respond to any of My critiques of Your firm and I Will be happy to publish them.

My belief is that You Will have a hard time resolving Matters 'quickly and efficiently' if You do not reply to emails. I guess the pursuit of Justice is tireless if You don't even try, right. Not very exhaustive to not even try, is it?

I feel that's deceptive advertising, I am thing King the parties alleged to have been injured by Tiffany Singh, (Your clients) would Wish to see her apprehended for the harm she has done to them every bit as much as I do. I guess Your definition of 'justice' is different then mine.

Again, please do make sure I'm not misrepresenting Your firm in any Way, I would not Wish to be liable for libel.

May this Present find You Blessed,

King Sean, House von Dehn,  
Hand of Stephen,  
The Kingdom of Heaven Found a Sean  
in Honour of My father in Heaven,  
Joachim Heinrich von Dehn

Dear Francesca Nosotti,

Thank You so very kindly for demonstrating that You can respond to emails in a reasonable period of time. I couldn't help noticing You still haven't answered a single one of My questions. Why should I respond to You?

Rhetorical, of course. I don't hold the contempt and belligerence of Nital S. Gosai against You or any other agent of Your firm - it's not Your fault she's incapable of responding to emails, and You are correct in believing her ignorance and contempt hurts the reputa a Sean of every One. So maybe tell her to smarten up and respond to My emails.

My Official Reply Will be published on thekingdomofheavenfoundasean.club sometime before 5:00 Friday afternoon, and I Will send You a link.

Please let Nital know that I don't respond kindly to threats, and I perceive this letter to be a threat with intent to cause emotional, psychological, economic, and Spiritual harm for trespass upon My Trust obligate Sean's and determine to Honour My father whose Good name You are defaming with false allegate Sean's.

May this day find You Blessed,

King Sean, House von Dehn,  
Hand of Stephen,  
The Kingdom of Heaven Found a Sean,  
in Loving Honour,

Dear Francesca,

Once again, thank Queen You, I've only been as King for this inform a Sean from Nital 'the Ghost' Gosai for *nineteen days!!!* I was also very clear about the fact that I have been deeply concerned about this Matter **for over four years!!!**

You discontinued the Claim against My father on **April 20th, 2020**, and You're just telling Me **now?!**

You are 'dedicated to resolving Matters as quickly and efficiently as possible' but You take nineteen days to tell Me something You could have communicated to Me almost immediately? Even after I explain to You that I have been going out of My Mind wondering what it was You are accusing My father of having done, concerned about the harm done to *Your clients*, which I believed Tiffany Singh, co-defendant in Your claim, was responsible for.

So if You Wish to see the Article removed, You make sure that the Court of Record Shows Your Claims have been withdrawn or discontinued or whatever You Wish to call it - because as long as they are on the public Record, and as long as My father is showing as having no One appointed to protect the legal and lawful interests of My father and the Beneficiaries to his Estate, My father's name and reputation is publicly defamed by Your firm.

I don't remember receiving Notice of the Claim or Notice of the Discontinuance of the Claim and My father died on **October 29th, 2019**. If the Public Court of Record states that My father has no legal and lawful representation, then who did You serve the Notice on?

Until I receive a copy of the the Notice of Claim and the Notice of Discontinuance served upon My father's legal and lawful attorney, the Article Will remain.

I look forward to hearing from You, and You Will be liable to Me for the full Value You were as King of from My father for the four years of hell You've put Me through worrying senselessly about these claims.

You are hereby served, as You appear to be engaged in fraud unless You produce service of these documents on My father or his attorney.

You're responsible for the four years of hell I've been going through because You are too lazy to update the Court of Record?

King Sean, House von Dehn,  
Hand of Stephen,  
The Kingdom of Heaven Found a Sean,  
in Honour of My Father in Heaven,  
Joachim Heinrich von Dehn.

That's not what I'm as King for. I'm as King for the Service of the Claim on the parties, and Service of the Discontinuance on the parties. Who received the documents on behalf of My father?
