Dear Rohit,

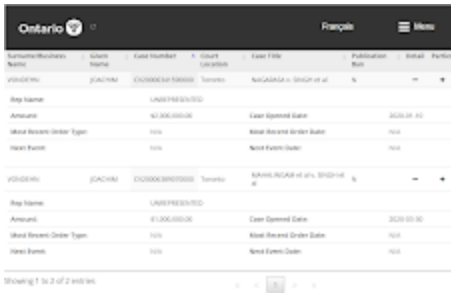

Care to explain? Do You have any idea how many sleepless nights I lay awake worried about these People? And they have been discontinued, the claims against My father were false? Or why were the claims withdrawn and how are You going to make it up to Me for the last three and a half years I've been going crazy worrying about this because You decided to Keep this Matter private and not have any One appointed to Protect My father's interests.

You do NOT get to trespass upon My Trust obligate Sean's. Who said You could speak for My father or Tiffany Singh, for that Matter?

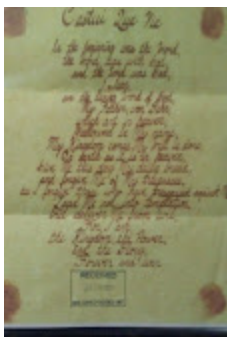

I require service of the Claim on all parties with an interest in the outcome. How did YOU receive Notice of this Claim before Me?
