Good morning!

So nice to have You all in one place!

I apologize for the delay but none of You seem to be in any rush, so I thought the first of the month would be the optimal time to provide You with a full accounting of Your liability to Me so far (not including the \$1 million fine for each lawyer, and another \$1 million fine for each firm involved in the fraud).

With respect to the Civil Claim 22-89835, the Claim was filed for trespass upon My Trust obligations and fraud in the Estate application - You are all jointly and severally liable for these criminal Acts.

The original Value of the Claim at the time of filing was \$985,449.36, with ten percent interest compounding monthly, calculated to the day. The full accounting is as follows:

September, 2022 - \$1,083,994.96  
 October, 2022 - \$1,192,394.46  
 November, 2022 - \$1,311,633.91  
 December 2022 - \$1,442,797.30  
 January, 2023 - \$1,587,077.03  
 February, 2023 - \$1,745,784.73  
 March, 2023 - \$1,920,363.20  
 April, 2023 - \$2,112,399.52  
 May, 2023 - \$2,323,639.47  
 June, 2023 - \$2,556,003.42  
 July, 2023 - \$2,811,603.76  
 August, 2023 - \$3,092,764.14  
 September, 2023 - \$3,402,040.55  
 October, 2023 - \$3,742,244.61  
 November, 2023 - \$4,116,469.07  
 December, 2023 - \$4,528,115.98  
 January, 2024 - \$4,980,927.58  
 February, 2024 - \$5,479,021.34  
 March, 2024 - \$6,026,922.37

Wow, that compounding interest really adds up, doesn't it?! The per diem rate for this month, March 2024, is \$194,416.85. The purpose of the compounding interest was to motivate People to speak, which is \$194,416.85 per diem for the month of March that You are all jointly and severally liable to Me for.

I hope that motivates You to reply - if not, I can only presume You have excessive disposable wealth and businesses.

The compounding interest continues to accrue until costs are paid out in triplicate what opposing counsel was as King of from Me for suggesting My complaint of fraud in the Estate Application was 'frivolous, vexatious, and abuse of court process'.

The irony. What do they call that? Admission through projection? I think that's what they call it.

I look forward to hearing from You,

\*Correction - Per Diem Rate is \$19,441.69

I also advised this Court that if the trial Coordinator, Sally A. Gomery does not enforce the default judgment awarded against opposing counsel on or before 5:00 PM this afternoon, all judges involved in the Civil Case 22-89835 Will be held personally liable for breach of Trust with malicious, criminal intent to cause harm and in violation of Your Oath to these Courts, the public, and the Crown.

This includes Kaufman, Somji, and Gomery. If You don't have the maturity to respond to an email, You don't have the maturity to be serving on Canada's bench. Somji is guilty of breach of Trust for proceeding in a hearing without My

participation, and failing to provide the transcript for the parts of the hearing I was Promised that have not been provided - that is a breach of Contract and a breach of Trust.

Failing to Enforce the Default Judgment is also abdication of Oath and contempt of Court in any Common Law Jurisdiction.

You are all hereby served. As far as Member of Parliament, Larry Brock is concerned... Disappointed doesn't even begin to describe My disposition on this Matter. Based on the ignorance and contempt demonstrated by the member of Parliament who makes an absolute spectacle of the RCMP not investigating the primary suspect in the SNC Lavalin scandal, yet ALLOWS the Minister of Justice and Attorney General of his OPPOSITION to weaponize the Courts against Canada's People and has NOTHING to say about it? Is that not just a tad hypocritical? How are You not every bit as guilty and more?

I'm going to be continuing to send an email every business day, adding a new MP to the list just to see how long it takes for some One to put a stop to the criminal Acts of these court clerks and judges weaponizing the Courts against Canada's People. I'm telling You that the three Superior Courts have been actively participating in depriving People of their right to justice like Canada became North Korea overnight, and NO ONE has anything to say about it?

Larry Brock is correct about one thing - this is the most corrupt Canada's children posing as politicians have ever been - and it appears both sides of the coin have the same face - treason.

Prove Me wrong - prove to Me that some One cares that the Courts are aiding and abetting criminal Acts and acting as a fence for insurance scams.

Your contempt Will be published to the [International Court of Record later this evening](#).

I look forward to hearing from You.
